upgrade	ThinLine LED	43	30W	1,290W
upgrade	ThinLine LED	16	45W	720W

Total Energy Reduction 3,654 watts

65% energy reduction

BEFORE T8 3-lamp troffer - 96W

AFTER ThinLine LED 30W

The look and feel of **Bonde's Quik Mart** was completely transformed when the existing 3-lamp T8 2x4 troffers were upgraded to energybank high-performance LED ThinLine®.

The new energybank ThinLine fixtures delivered a 65% energy reduction and a dramatic improvement in light quality and color accuracy for enhanced merchandising.

The consistent, even quality of the ThinLine LED white light packaged in a sleek and modern form factor has completely renovated the food mart space, improving the appearance and the retail environment. And the fixtures are essentially maintenance-free over 100,000 hours of operation. That's LED Done Right.
