

# High-Performance LED LightSource™ Linear

DELIVERING MORE FOOTCANDLES WITH LESS ENERGY INPUT

Made in USA

**100,000 hour operating life. Zero maintenance. 5-year warranty.**

Sleek, modern, ultra-compact form factor.

Featuring Nichia advanced LED technology and Osram components.

Designed and built in the USA with optical optimization for superior light distribution performance and no wasted energy.

## durable finish

Constructed from commercially pure aluminum with durable, proprietary polyester exterior finish.

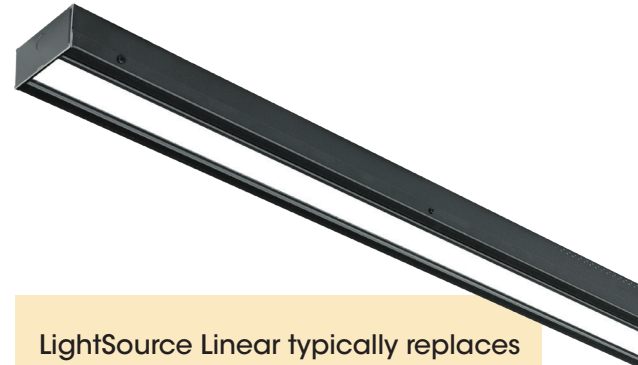

## modular design

Unique forward-compatible design allows for installation of new technology as it becomes available.

## thermal management

Advanced thermal management keeps your critical electronics and light engines running at their maximum efficiency.

The **LightSource™ Linear** is designed for quick, easy installation to deliver perfect light in aisle and high bay / low bay applications. Fully dimmable driver and integrated transient voltage protection.

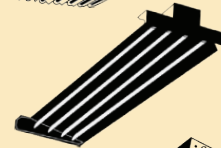

LightSource Linear typically replaces

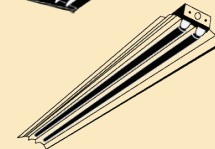

250W HID  
400W HID  
1000W HID

4-Lamp T8  
6-Lamp T8

8-Lamp T5  
10-Lamp T5

T12 HO  
2-Lamp T8 Strip

12' length **above** with optional motion sensor.
