

# Case Study Interior - Recycling Center

Manitowoc County Recycling Center - Manitowoc, WI

## 52% energy reduction with LED Done Right®

**"Our last electric bill was significantly lower."** - Jon Reisenbuechler, Operations Manager T

By upgrading existing lighting to high-performance, energy-efficient LED LightSource® and OmegaLight® high-bay and LED Task fixtures, the Manitowoc Recycling Center has improved overall quality of light, improving visibility for sorting, while significantly reducing energy consumption.

That's LED Done Right®.
